C. D.O. No. 421/Ly/22-23.

Dear Mr.. Matthan,

In regard to the transfer of the Muzrai office

This would be the most convenient arrangement. Mr. Archad this is for the same almost immediate. I have my room vacated. As it is he works upstairs while his office is on the ground floor.

ordered in G.O.No.517-50/Muz.63-22-1 dated 31st ultimo, there is no spare accommodation available for the Muzrai Establishment in any of the rooms now occupied by my office. The most convenient arrangement will be to provide accommodation for the Muzrai Establishment in the same floor as my office. As you might have noticed when you went round the building on the 25th ultimo, my office occupies all the rooms excepting the last one in the right wing of the top floor which is occupied by Mr. B.V. Rama Iyengar, Conservator of Forests. If he can shift to the ground floor - where his whole establishment works - one of the rooms of the Archaeological office which has been ordered to be transferred to Mysore being placed at his disposal, if necessary, the room he is now occupying may be used by me for the Muzrai establishment. I request that you will kindly place the matter before Government and obtain their orders about it.

Yours sincerely,

Mr. Matthan

OFFICE OF THE INSPECTOR GENERAL OF

From

C.S. Balasundaram Iyer Esq., B.A.,
Inspector General of Education in Mysore.

To

K. Matthan Esq., B.A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore.

Sir,

with reference to Government order No.C.21-90/G.N.102-21-8 dated 4th July 1922 transferring the Archaeological Department to the control of the Mysore University and ordering that the Head Quarters of the Department be transferred to Mysore, I have the honor to bring to the notice of Government that the office of the Circle Inspector of Education, Bangalore, is now held in a rented building in Pasavangudi for which a rent of Rs.135/- per month is being paid. The offices of the District Inspectors of Kannada and Hindustani schools as well as that of the City Inspector Assistant Inspector have been recently ordered to be provided in accommodation in the Old District Office buildings. In case accommodation is found in the New Public Office Building for the Circle Inspector's office also and all the Educational offices are located close to each other much of the now unnecessary correspondence will be avoided and there will be much facility for early disposal of work.

I may also add that the question of attaching the Deputy Inspector Generals to this office by abolishing the offices of the Circle Inspectors is also under the consideration of Government.

Government and in case this proposal is sanctioned extra accommodation will have to be provided for this office in the present building for the additional officers and the staff to be attached to this office.

Under these circumstances I request that Government may be pleased to place the rooms in the New Public Office Buildings now occupied by the Archaeological office at the disposal of this Department for locating the office of the Circle Inspector, Bangalore, or for the additional accommodation required for this office in case the two Circle Inspectors are attached to this office as Deputy Inspector Generals.

I have the honor to be,

Sir,

Your most obedient servant,

Dear Mr. Srinivasiengar,

Referring to your D.O. letter No.421 dated the 2nd instant regarding accommodation for the Muzrai establishment to be transferred to you, I am desirous to state that the Conservator of Forests is agreeable to vacate the room on the 1st floor now occupied by him; but wants instead one of the rooms now occupied by the Registrar of Co-operative Societies. If he is to take one of the rooms to be vacated by the Archaeological Department the Registrar, Co-operative Societies, and his establishment will be ^{the} ~~budgeted~~ ^{Revised} ~~budgeted~~ in between two parts of his office. The Government think that the allotment of the rooms among the several officers concerned might be left to be settled by themselves and I am accordingly to request you to settle the question of accommodation in consultation with the Conservator, the Excise Commissioner, the Registrar of Co-operative Societies and if necessary, the Inspector General of Education.

Arrangements should, if possible, be made to get the establishment of the Registrar of Joint Stock Companies also in one of the rooms vacated by the Archaeological Dept. as the Excise Commissioner has now been made Registrar of Joint Stock Companies. You may kindly take further action in this matter in consultation with the other officers concerned to whom I am sending copies of this letter.

Dated Bangalore, 9th August 1922

Dear Mr Matthan,

Recd 10/8
I write this to inform you that, with reference to your memo No. 627-30 dated 5th August 1922 in regard to the reallocation of the accommodation in the New Public Offices Building, I saw the Revenue Commissioner yesterday. I understand that he intends to propose a change in the location of my office. On going through the file relating to the accommodation of this office, I see that the accommodation originally allotted to this office was very inadequate and that the Room made available for the Registrar's office room was found to be very inconvenient. On a further reference made by Mr. Ranga Rao the Chief Engineer placed the ^{big} corner room in the left wing of the first floor at his disposal. Subsequently, the Conservator of Forests having agreed to a mutual exchange of accommodation, the room in which I am now holding office and the small room adjoining it were taken over from the Conservator by the Registrar and the big corner room on the first floor given to the Conservator instead.

The Revenue Commissioner wants the corner room in the first floor for the Muzrai office establishment. As a result, the Conservator wants his room to be given back to him. The Revenue Commissioner also suggests that I should occupy one of the rooms to be vacated by the Archaeological office. This means that the Registrar should go back to his old place which has already been explained to be inconvenient.

I request you, therefore, to kindly see that the Muzroi office is accommodated in the rooms to be vacated by the Archaeological office instead of causing a lot of inconvenience both to myself and the Conservator. I really do not know why two Heads of Departments should be disturbed for the sake of an office which can conveniently be located in the rooms of the present Archaeological office.

As I am only an Acting man, I request you to kindly take the

opinion of Mr. Ranga Rao in the matter.

I am in receipt of your D.O. letter No.1 of even date regarding the small room on the other side of my Central Hall.

I am aware of the fact that the small room above referred to and the room in which you are now holding office were exchanged for the big corner room on the first floor which the Chief Engineer had allotted to this office and I am extremely sorry if I have inconvenienced you by retaining it in my possession, but the following facts will, I hope, make it clear to you that I have kept it in my possession not with the object of inconveniencing you but on account of sheer want of accommodation. The room in the first floor that had been originally allotted to the Registrar being a very spacious one you were so good as to consider it to be at least a fair exchange for, if not better than, the two rooms you gave him.

I am told that while I was on tour in July 1922 the Chief Secretary, Revenue Commissioner and Chief Engineer inspected the new Public Office building probably under orders of the Government and after their inspection the Government have ordered in their official memo No.838-42/C.B. dated 23rd August 1922 a re-allocation of office rooms according to which I have given you one room and taken in lieu of it the Archaeological Director's room which is slightly smaller than the former.

As it is the accommodation given to this office is insufficient. There will be no place for accommodating my office Library and the fair-copying Section if the small room is also given to you. Dear Sir,

Adverting to Government Order No. 838-42/C.B. dated 23rd August 1922 regarding the allotment of accommodation for the Muzrai Commissioner's office, I find on my return to headquarters this morning that my office has been shifted from the top floor of the building to the bottom floor. During our personal conversation in the matter, I made it very clear that my shifting to the rooms occupied by the Co-operative Department was on the clear understanding that the two rooms formerly occupied by the Forest Department and subsequently placed at the disposal of the Registrar in exchange for the room on the top floor should be replaced at my disposal. But, I find that only one room has been placed at my disposal and the small room attached to it has been still retained by the Registrar and used as a Typist's room. This arrangement is not quite comfortable to me and the noise of the typist makes it impossible for me to do any office work. I request you, therefore, to kindly arrange to place the small room at my disposal as early as convenient. I do not think the Registrar can have any complaint to give back the two rooms as he himself is not inconvenienced in any way.
